

IN THE SPECIFICATION:

Please amend the following paragraphs, as indicated by the clean copies of the amended paragraphs in Appendix C, and the marked-up copies of the amended paragraphs in Appendix D, attached hereto:

- Page 3, between lines 24 and 25
- Page 5, line 21 to Page 6, line 2
- Page 9, lines 14-27

REMARKS

Reconsideration of the application is respectfully requested for the following reasons:

1. Objection to Drawings Under 37 CFR §1.83(a)

This objection has been rendered moot by the cancellation of claim 25.

However, it is noted that the Examiner is entirely correct that the term "residual area base" was improperly used in claim 25, and that the "residual area base" is different from the "substructures." The specification and other claims have been amended to correct this error, as discussed below.

2. Objections to the Specification

o2 { The intended amendments to the paragraph extending from page 5, line 21 to page 6, line 2 are appended hereto, thereby overcoming the objection to the phrase "meander-shaped substrate."

In addition, the paragraph inserted between lines 24 and 25 on page 3 has again been deleted, thereby eliminating the reference to deleted Fig. 14, the initial attempt at deleting the paragraph having been refused entry because a clean copy of the deleted paragraph was not provided. Since it is impossible to include a clean copy of a deleted paragraph, as required by
